How Does the Invest in Education Ballot Initiative Impact Businesses?

- **Corporations**: No tax increase.
- **Companies organized as sole proprietorships, limited liability companies, or S-corporations**: No tax increase. Invest in Ed only taxes wealthy individuals not businesses.
- **Mom & pop small business owner who reports less than $250K (single filer) or $500k (married filer) in taxable income per year**: No tax increase.
- **Wealthy owner of a business who reports more than $250K (single filer) or $500k (married filer) in taxable income per year**: Only taxable income in excess of $250K/$500K will be subject to 3.5% surcharge.
- **Millions of new dollars invested into Arizona’s public schools each year leads to a more skilled workforce**: All businesses benefit!
